

उत्तर प्रदेश मेट्रो रेल कॉरपोरेशन लि०
UTTAR PRADESH METRO RAIL CORPORATION LTD.
(Formerly Known as Lucknow Metro Rail Corporation Ltd.)
(भारत सरकार एवं उत्तर प्रदेश सरकार का एक संयुक्त उपक्रम)
(A JOINT VENTURE OF GOVT. OF INDIA & GOVT. OF U.P.)

No. UPMRC/S&T/Agra/Tele/AGSEC-01/02

Date: 28/06/2023

To,

All Bidders,

Sub: Addendum-1 and Clarification to Pre-Bid queries for Tender Package AGSEC-01.

Ref: AGSEC-01: "For Supply, Installation, Testing, Commissioning, Training & Maintenance of X-Ray baggage inspection system, Door Frame Metal Detector (DFMD) and Hand Held Metal Detector (HHMD) equipment for Corridor-I & II of Agra Metro Rail Project."

Dear Sir/Madam,

With reference to the above subject, Addendum-01 and Clarification to Pre-Bid queries of Tender AGSEC-01 are attached herewith.

Thanking You,

(Tradeep Kumar Khare)
General Manager/Signal & Telecom

Tender AGSEC 01 - Pre -bid Queries and Clarification-UPMRC Response

S N	Clause no and Page no	RFP Clause	Request/clarification sought	UPMRC Response
1	NA	NA	We would like to suggest that separate tenders should be floated for each item or financial evaluation should be done line wise/item-wise for better competition and quality products.	Please follow tender conditions.
2	NA	NA	We propose that since the products are used for security screening hence demonstration of the machines should be conducted to ensure that bidders meet with the necessary technical parameters and are experienced to successfully complete the project.	Please follow tender conditions.
3	Page no -97	Appendix023(b)	It is mentioned that the undertaking by the tenderer for engaging subcontractor is required by wherein in the document it is written that the subcontractor has to give this undertaking on their Letter head and sign the document, Hence please clarify if the subcontractor has to sign the document as written or whether it should be signed by the Bidder/Tenderer.	Please refer Addendum 1.
4	Page No2 andPageNo 4	NA	We assume that the Annexure 3, 4, 5 are deleted as mentioned on page no 4, please clarify.	Yes, confirmed.
5	Page No. 7 Clause1.1.3.i (ii)	A tenderer shall submit only one bid in the same tendering process. A tenderer who submits or participates in, more than one bid will cause all of the proposals in which the tenderer has participated to be disqualified. No tenderer can be a subcontractor in the same bidding.	Please clarify can an OEM bid for one item and authorize other OEMs for the product for separate items they do not manufacture. Can an OEM be the bidder as well as a subcontractor to other OEM for different product and vice-versa? Kindly clarify.	Please refer NIT Clause 1.1.3.2 Note Point 2: 'If the bidder has not supplied DFMD and HHMD by himself. The contractor shall be required to submit credential and undertaking for engaging sub-contractor in Appendix- 23(b) of FOT.' Please refer NIT Clause 1.1.3.1.ii, 'A tenderer shall submit only one bid in the same tendering process. A tenderer who submits or participates in, more than one bid will cause all of the proposals in which the tenderer has participated to be disqualified. No tenderer can be a subcontractor in the same bidding process.'
6	Page No. 22 of your AGSEC-2	Income Tax Clearance Certificate submission	It is mentioned to submit Income Tax clearance certificate, however as per the government circular No 02/2004 dated 10.02.2004 it is mentioned that the certificate is not required. Hence kindly remove this clause.	Please refer Addendum 1.
7	NA	NA	Request you to kindly take the demo of all the equipment as per MHA/DMRC laid demo guidelines during technical evaluation . Demo of critical security equipment like XBS should be taken.	Please follow tender conditions.
8	NA	NA	Important latest software feature like Artificial Intelligence should be included as it helps the security officer to make better judgment while scanning.Its does not have any cost implication as cited by few other vendors during pre bid meeting.	Please follow tender conditions.

Amir

9	NA	NA	Pre qualification criteria similar nature of work should also include DMND and HHMD as its important equipment for human frisking. If any one enters the premise of metro with unwanted weapon they can create chaos.	Please follow tender conditions.
10	NA	NA	Integrated and central monitoring system should be used keeping in view that during any unwanted scenario centrally things can be viewed and controlled.	Please follow tender conditions.
11	NA	NA	Delivery Time should be at least 8 to 10 Weeks.	Please refer Addendum 1.
12	NA	NA	<p>We strongly recommend to conduct a live demonstration of the X-Ray Baggage Scanner to provide an opportunity to the Technical Evaluation Committee (TEC) to evaluate all the specifications of the offered products and qualify only the ones which are fully complying to the tender specifications and offering additional features to help increase user efficiency and productiveness.</p> <p>We would like to bring to your notice that the Trial Directives of the recent tender no. GEM/2023/B/3073619 published by NCR Transport Corporation Ltd (NCRCTL) has clearly asked to Physically check all the specifications of the offered baggage scanners during the technical evaluation stage. Similarly, the Tender of Bangalore City Metro Rail Corporation Ltd requires the bidders to conduct a live demonstration of their offered x-ray baggage scanners in front of the TEC.</p>	Please follow tender conditions.
13	NA	NA	You would also agree that the X-Ray Baggage Scanner is an extremely important equipment being used as a first line of defense in security of any premises. Additionally, both of the above-mentioned tenders of NCRCTL & Bangalore City Metro have demanded for Artificial Intelligence (AI) feature in their tenders. Hence, we humbly request you to kindly incorporate AI in your tender specifications as it extensively enhances the performance of the x-ray baggage scanner to assist the screener in identifying the threat objects and contrabands like gun, knife, razor blade, liquid explosives & flammables etc. with high throughput.	Please follow tender conditions.
14	NA	NA	As per tender terms and condition for delivery period is within 4 weeks & it is not possible. We request you to amend the delivery period as 8 - 10 weeks from the date of LOI/WO.	Please refer Addendum 1.
15	NA	NA	For Tender Security Amount, Kindly note that in GeM Tenders /Govt. E-Tenders bidders having MSME registration of Manufacturers (for Goods) AND Service Providers (for Service) are eligible for Exemption from the Tender Fees and EMD Submission, whereas, your tender demands Tender Security Amount, We humbly request you to kindly accept MSME Registration for providing exemption to bidders and oblige.	Please follow tender conditions.

Atch

1E	Clause No C18.1.2 of page no 45 of tender document	NA	We are a MSME / NSIC registered manufacturer & as defined in MSE Procurement Policy issued by Department of Micro, Small and Medium Enterprises (MSME) and Udyog Aadhar Memorandum for MSES as per Public Procurement Policy of MSES Order – 2012 and latest MSME Notification, we are exempted from paying EMD in any form while participating in any Tender. We were allowed to participate successfully in all eGEM and CPP Tenders without EMD. Kindly confirm that we will be exempted from paying EMD while participating in your above tender with proper documents from our side.	Please follow tender conditions.
17	NA	NA	We also bring your kind attention on price preference policy: As per latest government notifications, 15% Price preference is to be compulsorily given to MSME companies as per Udyog Aadhar Memorandum for MSES as per Public Procurement Policy of MSES Order – 2012 and latest MSME Notification. Please confirm this preference will be given. So we would request you that please amend the terms & conditions accordingly.	Please follow tender conditions.
1E	NA	NA	Being the First line of Protection, in case of any external security threat, it is extremely vital that X Ray Baggage Scanner performs in line with all the technical parameters as mentioned in tender technical documents without any deviation. However, from our own experience and various customer feedback from across segments, we would like to inform that many bidders have complied "on paper (In compliance sheet and in the catalog)" that their quoted machines meet the mandatory tests and other features as mentioned in the tender technical specifications. But during physical demonstrations conducted in real time environment, it has been observed that their machines have not been able to produce many critical mandatory technical compliance viz Image quality, Threat Image scanning, Penetration detection etc.	Please follow tender conditions.
1E	NA	NA	Kindly consider the Artificial Intelligence (AI) Technology, as this is the latest feature among all the X-ray Baggage Scanners and it will not implicate any additional cost in the machine, it is just an additional development in the software which is already designed for X-ray screening. OEMS keep running to opt for this feature in the name of additional cost, there is nothing like this, no change in hardware, only in the software and every OEM who participates is able to do this, only thing is if they start giving AI at less price their normal device price will be decreased.	Please follow tender conditions.
2C	NA	NA	Requesting you to consider the credentials of Door Frame Metal Detector also as 56 quantity plays a 25-30% major role in the screening equipment. So relevant Work orders and Completion certificates are also to be considered as Work experience in this Project.	Please follow tender conditions.

Y. K. S.

21	NA	NA	Every machine is equipped with a networking facility as a mandatory feature in the X-ray baggage scanner so kindly request you to incorporate the Central Monitoring System (CMS) feature so that in the future all the machines can be monitored from a single location as an additional facility. There is no additional cost in opting this, this is inbuilt feature in every Baggage scanner.	Please follow tender conditions.
22	NA	NA	Requesting you to consider the reputed private organization credentials with the proof of TDS & Purchase orders to increase the competency in participation with multiple OEMs.	Please follow tender conditions.
23	NA	NA	The Financial Budget allocated and the timeline for the Delivery given in the tender is satisfactory. So we request you not make any changes in this bid.	Noted.

Handwritten mark: "Abit" with a checkmark.
